

Lakeshore Community Services, Inc.

## SERVICES PROVIDED:

*"Verify! provided exceptional customer service and support, going above and beyond, to exceed our expectations, ensuring we got the very best pricing under contract for our utility service. They followed up to verify each individual account was properly priced and documented. They not only saved us time, they saved us money! Thank you Erin and the great staff at Verify! for all of your help."*

- **Donna Carlino**, CFO  
Lakeshore Community Services

## IN PRACTICE

*Verify!* provides assistance to healthcare operations by helping them understand their contractual obligations, streamlining operations, and reducing expense associated with cellular and telecom.

*Verify!* is able to assist with multiple locations, whether that includes multiple group homes or vast locations across the United States.

## BENEFITS

The client received an inventory of services, address-service breakdown, cost saving recommendations, efficiency-based recommendations, and other pertinent information to make an informed decision on their services and service needs.

### Analysis Results:

- Savings were realized
- Services and features were evaluated and optimized
- Contractual obligations were identified and cataloged
- Additional service optimization, upgrades, and cost reduction opportunities identified
- Identified new service option and initiated contract with new provider
